

The Podcast by KevinMD.com: Insurance Companies Are Being Sued Over Directories That Aren't Real

In “The Podcast by KevinMD.com: Insurance Companies Are Being Sued Over Directories That Aren't Real” (The Podcast by KevinMD.com, September 17, 2026), Pollock Cohen LLP partner Steve Cohen discusses the allegations behind seven class action lawsuits against insurance companies now moving through courts from Massachusetts to California.

This episode is based on Cohen's article “[Mental Health Ghost Networks Are Badly Hurting Patients](#),” published on KevinMD.com. You will hear what a ghost network is, and why the problem is worst in mental health.
