

The Future of Mass Arbitration, and will the Ninth Circuit Save It

Partner Raphael Janove, with his experience and expertise, spoke at the Nuts and Bolts of Mass Actions conference in Malibu, CA.

Rafi spoke about how companies attempt to opt out of the law by shielding themselves from mass arbitration and whether the 9th circuit would "kill" mass arbitration.

Speaker highlight:

Raphael Janove

Raphael works exclusively on behalf of plaintiffs and the public at Pollock Cohen LLP. His current class and mass action matters include Lanham Act and unfair competition claims brought on behalf of tens of thousands small businesses against tech companies, consumer claims against mobile app developers, and human trafficking claims against websites and immigration detention centers.
