

Insurance Companies Deny Medical Care. And That's Wrong. [PODCAST]

Partner Steve Cohen was recently interviewed by Dr. Kevin Pho for his podcast on KevinMD, the web's leading platform for doctors and the broader medical community to share their insights and tell their stories.

Steve and Dr. Pho talked about the dangers of prior authorization, contested prior authorizations, and how doctors believe delays in prior authorization have led to serious adverse events for their patients.

[Insurance companies deny medical care. And that's wrong. \[PODCAST\] | KevinMD](#)
